### Email to friends and colleagues

Subject: See you at the 2023 CAEL Conference?

Hi [Name],

I hope you're doing well! I wanted to let you know about a conference I'm going to in November. It's the 2023 CAEL conference. The annual CAEL Conference is widely known as the leading place for leaders to connect and network with industry experts from postsecondary education, workforce and economic development, and industry. You'll have a unique opportunity to meet the best minds in adult learning, inside and outside of postsecondary education. Plus, CAEL has a really fun social community that will be great for networking.

The conference will take place in Baltimore, MD at the Hilton Baltimore from November 8-10, 2023. [Here's a link for more information.](#) I hope to see you there!
