**Your Organization's Role:** Institutions submitting nominations for the award will be obligated to provide information about their CPL programs, how they are defining equity gaps in their CPL programs, their equity strategies, and data/evidence demonstrating their effectiveness at increasing CPL access and CPL credit-earning for key target populations. Winning institutions will be expected to share additional details for a published resource guide on CPL Equity Strategies (subject to the winning institution's final review and approval) and may be invited to participate in public presentations with CAEL and WICHE.

**Benefits and Risks:** There are no known risks to your participation in this Award nomination. Your participation in this Award nomination may result in cash awards.

**Voluntary Participation:** Your consent to be an Award nominee is strictly voluntary. You may choose not to answer any question and you are free to withdraw consent and discontinue participation in the Award process at any time and for any reason. CAEL may use the information you voluntarily provide in a report or other publication ("Report") and by signing this form you consent to such use. The Report may include a list of the organizations who were nominated for this Award ("List of Nominees"). You agree to allow CAEL to include your name and affiliation on the List of Nominees. If the Report includes a direct quote from the information you provide, CAEL will attribute the quote to you by including your name and affiliation with the quote.
